## CYCLONE REGISTER 360 SETUP – BLK EDITION

### Before Connecting the Scanner to your Tablet

1. Go to [myWorld \(leica-geosystems.com\)](https://myWorld.leica-geosystems.com) and click on the Register tab.
2. Enter your email, check the I'm not a robot box, and then click Next.
3. You will receive an email to confirm your email. Click the Confirm Registration tab.
4. Enter your information and then click Continue. Follow the setup procedures, if any.
5. From here, you can try your new login on the myWorld Leica portal. You might receive an email stating that you will have to wait to receive a confirmation email from Leica "which usually takes a couple of days."
6. Once you get access to myWorld, you can proceed to the next steps.

### Download the Software

1. Go to [myWorld \(leica-geosystems.com\)](https://myWorld.leica-geosystems.com) and Login.
2. Enter your email and password that you set up earlier.
3. Scroll down to My Downloads and then click on Access Downloads.
4. Scroll down and click on Laser Scanning Software and click on Laser Scanning Software.
5. Scroll up and click Cyclone. Then click Software.
6. Scroll down and click the download tab next to Cyclone Register 360 Plus (BLK Edition).
7. Scroll down and click the download tab next to CLM Package.
8. Open the CLM Package and proceed to the next steps.

### Activate your EID Number

1. After opening the CLM Package, click the red Add tab.
2. Enter your EID number. This number should be on the paperwork that you received with your scanner.
3. Once you enter that number, click Add and activate your EID number.
4. Once you've added and activated your EID number you can close the CLM Package.

### Register your Cyclone Account

1. Go to [Cyclone Cloud 2023.0.5 - Home \(cyclone-cloud.com\)](https://cyclone-cloud.com) and Register as a New User.
2. Answer Yes to all four questions, fill out your information, and then click Save user info.
3. You will receive a confirmation email with a code. Enter the code and click Confirm Email.
4. Create a username and password. This is what you will use when you download the Field 360 app. Make this a username and password that you don't mind sharing with other people.
5. After you have created an account, go back to [Cyclone Cloud 2023.0.5 -Home \(cyclone-cloud.com\)](https://cyclone-cloud.com). Enter the username and password you just created and Login.
6. Click Add a new EID tab, enter the EID number, and click Add.
