HOW TO SWAP THE EID NUMBER BETWEEN COMPUTERS

Updating Leica Software

1. Open your CLM Software on your computer.
2. Find your EID number and copy it.
3. Click on the arrow on the far right to return the license.
4. On the new computer, open your CLM Software.
5. In the top right, click the ADD button.
6. Enter your EID number and click the ADD button in the bottom right.
